FY 2016 Needs Assessment and Feasibility Study**

**AMENDMENT 1**

**March 3, 2016**

**District of Columbia Office on Aging**

The District of Columbia Office on Aging (DCOA) hereby issues the following clarifications and change to the FY 2016 Needs Assessment and Feasibility Study. Specific changes to the text within the RFA appear in bold type.

**Clarification of Source of Grant Funding**

**Under the heading of Available funding on Page 10 of the Request for Application (RFA), the supportive funding source is identified as 100% District Government. The allowable indirect cost rate is 10% of the total DCOA personnel cost. The bulleted statement referencing a Negotiated Indirect Agreement and 10% *de minimis* on Page 22 is an error and is corrected by this amendment.**

- ❖ A Negotiated Indirect Agreement will be honored if there's not a Negotiated Indirect Agreement, the indirect rate will be calculated at the 10% *de minimis* in accordance with the OMB Circular.
